

# PowerGrit® Pipe Cutting Chain

Utilized by public and private water and wastewater departments worldwide, this patented technology exclusively from ICS® is designed to cut a variety of materials from ductile iron to plastic pipe. Featuring a brazed layer diamond coating on our FORCE4® platform, this chain makes your job safer, faster and easier.

## Product Benefits

- Increased Safety
- Operator Control
- Reduced Excavation
- Better Access
- Versatility

## Cuts these materials

- Ductile Iron Pipe
- Cast Iron Pipe
- PVC Pipe
- HDPE Pipe
- Insituform Pipe Lining
- Asbestos\* Concrete Pipe

## Underground Pipe Cutting

Change the Way the Job Gets Done!

PowerGrit® technology allows access to the entire cut from one position, which not only reduces the amount of excavation required, but also dramatically reduces the difficulty of the job.

Brazed Diamond Layer

Patent pending

\* Asbestos is a hazardous material, known to cause serious respiratory diseases. Cutting into asbestos can release asbestos fibers into the air. Always research and follow the correct safety procedures, including applicable national and state or provisional occupational health and safety regulations, and protect yourself and those around you from asbestos-related disease. Always arrange for the material to be removed safely by a qualified person. ICS is not responsible for exposure to asbestos caused by use of this product.
